

MUSEUM STORAGE SOLUTIONS

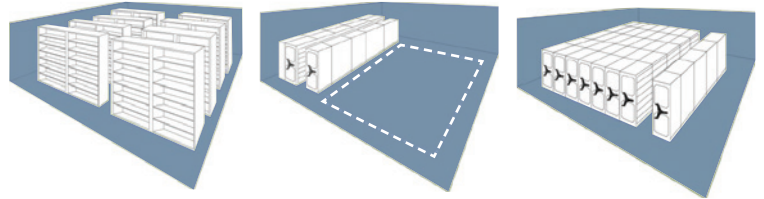

AURORA[®]

AURORA STORAGE PRODUCTS, INC.

AURORA STORAGE PRODUCTS

The artifacts of our past come in a wide variety of sizes, shapes and forms. And protecting those treasures is an important responsibility for museum curators and collections managers to ensure future generations have the opportunity to view and learn about priceless objects.

With this in mind, Aurora Storage has designed a line of museum cabinets and storage systems second to none in quality, breadth, color selection and accessories. Our cabinets and shelving are designed to be freestanding storage devices, or they can be incorporated as part of a larger mobile storage system to save space and costs.

Museum Layout Design Support

Our design experts will help you assess your existing museum floor space and recommend the correct product to optimize the storage in the space available.

Museum collections stored in Aurora Mobile systems can save up to 50% floor space or increase storage by 50%.

CABINET OPTIONS

Herbarium Cabinets

Aurora's Herbarium Cabinets feature a specially designed insert with no catch points for safe folder storage of samples.

- Full Height and Counter Height Cabinets
- No pop rivets, or welds in the storage compartment area.
- Full Width Pull Out Work Shelf on 84" H Units provides maximum work surface.
- Solid Doors Only

Drying Cabinets

Vented Drying Cabinet desiccates botanical material for research.

- 120 V UL Listed Heater with 1 year warranty
- Adjustable independent fan and heater function
- Door Indicator Lights for normal operation & thermal overload
- Adjustable vented shelves provide air and heat circulation

CABINET OPTIONS

84" Full Height Cabinets

Flexibility is key in Aurora's full height general storage cabinets that can be configured with mix and match accessories to fit your special collections.

- Solid or Visual Doors
- Accessory Shelves and Drawers adjustable on 3/4" centers to adapt to collections of varying heights.

Counter Height Cabinets

Many curators prefer a convenient work surface found in our counter high cabinets. Counter height cabinets are also a great alternative to flat files.

- Solid Doors
- Can be safely stacked to save floor space.
- Accessory Shelves and Drawers adjustable on 3/4" centers to adapt to collections of varying heights.

Entomology Cabinets

- Full Height and Counter Height Cabinets
- Can be safely stacked to save floor space.
- Pull Out Work Shelf on 84" Units
- Solid Doors Only
- Accepts Typical Entomology Drawer:

Cornell	19"W x 3"H x 16 1/2"D
Smithsonian	18"W x 2 1/6"H x 17 7/8"D
California	19"W x 2 1/2"H x 17"D
USNM	18"W x 3"H x 18"D

Flat Files

Heavy-duty welded Flat Files feature ball bearing slides and smooth drawer interiors with no catch points to harm material being stored.

- Five 2" Drawers per unit
- Two Chrome Pulls
- Standard Label Holders
- Optional Floor Base
- Stack 3-High or Mount to Mobile Carriages
- Drawers hold 100 lbs each

MUSEUM CABINETS FEATURES

Aurora's line of Museum Cabinets have unique features that make our cabinets second to none.

Water Shield Top

Included on all cabinets in the event of overhead sprinkler discharge.

Multiple Accessories

Choose from a variety of adjustable shelves, drawers, and dividers.

Durable Powder-Coat

Finish has ZERO Off-Gassing making it harmless to collections.

Steel-Reinforced

Full perimeter reinforced lift-off doors will not warp, rattle or flex. No other competitive cabinets have this solid reinforcement.

Hinge Design

Heavy Duty Lift-Off Hinges feature large diameter pins to easily seat door to cabinet in the event of door removal. Hinge pivot allows door to swing open flush to side of cabinet.

Accessible Handle

Unlike competitive units with handles sealed within riveted doors, this handle mechanism is readily accessible.

Industry-Unique Compression Handle

Standard on all cabinets to effectively compress the silicone door gasket at multiple points.

Optional Work Surface

The Pullout Work Surface slides out to create a quick work area for your working notes or to view samples.

Silicone Gasket

With ZERO Off-Gassing to protect collections.

Heavy-Duty Base

Specially reinforced base for solid cabinet integrity. Double door models accept forklifts for installation and moving. Base has easy access to levelers in all 4 corners.

COLOR OPTIONS

Why settle for only white or grey, when Aurora has the widest color section in the museum storage market? Choose from a wide variety of beautiful standard colors for rotary cabinets, stationary shelving, mobile shelving, and museum cabinets.

Our exclusive Gloss-Tek powder coat is completely inert with no off-gassing that could harm valuable collections.

All powder coat colors are also available in antimicrobial finish.

University Tree-Ring Research Center

Mobile storage system mixes navy blue end panels with parchment color shelving.
